Let's create a world of sweets☆
It will be a sweet world, with just you and me, Hinata-san☆

Angels of Sweets?
Angels that only I can see☆
The "Angels of Sweets" are telling me that they really like you ☆

....
Angels that gratify themselves in unique sweets ☆
Can you see them, Hinata-san?

FLOWER ARRANGEMENT CLUB
Mikoto, calm down
But-
It doesn't seem like Hinata will be coming back anytime soon
What should we do if Hinata actually decides to go over to the Sweets club...?
You're just overthinking it.
It takes time for the sweets to bake...
Hinata...

..It is the first time Hinata has befriended someone willing to call her by her first name
Hinata and I are both newcomers to flower arranging...
That's why I wanted to improve together with her
..If Hinata stops coming to the Flower Arrangement club... What should I do?
I'LL GO APOLOGIZE TO HINATA!
!
Hi-Hinata?
Sorry for the wait.

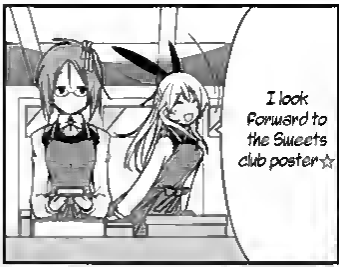
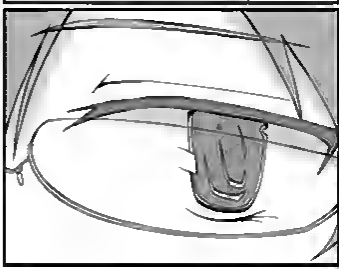
It smells so delicious
Ooh...
This is fantastically baked
Mmm



I look forward to the Sweets club poster☆



Well then, I'll be taking the photo

Wa-Fuh?
Together
Primura-san
Okay ☆
Goodness, Hina-tan is basically an angel. Am I being a nuisance?
That is not the case Your beautiful smile is ever enchanting, Primura-san
Let's welcome her back with a good greeting
now that she's done helping out the Sweets club
So Hina-tan can come back, then,

!
Hina-tan?
...
Yes☆
Well then Shall we return to the economics room?
SOME-ONE WHO DOESN'T AR..ANGE FLOWERS?
IS IT WRONG FOR THERE TO BE...
...
Is it because I forced you to join... that you are upset...
...Hinata Do you want to leave the Flower Ar-rangement club?

Because I pressed such selfish thoughts upon you...
Things such as "It's fun together"...
Mikoto-san...
LISTEN TO WHAT I HAVE TO SAY!
Mikoto-san,
DON'T TELL ME THAT YOU'LL LEAVE-
I'LL APOLOGIZE, SO...
Mikoto-san
Yea!
Ye-

I'm sorry for raising my voice.
Mikoto-san I'll never leave the Flower Arrangement club
I'm only going back to clean up the kitchen
...Eh?
I do love being here in the Flower Arrangement club
Hinata...!
...I have no intention of leaving the Flower Arrangement club
ECONOMICS ROOM
Why is that? You said you wouldn't do flower arranging.
...When I said I wouldn't arrange flowers, it was because I didn't want to create an awkward atmosphere with my presence.
When everyone is laughing, I'm the only one not smiling. I don't know what to enjoy
I'm completely satisfied with looking at everyone in the Flower Arrangement club having fun together

..I'm sorry, Primura-san.
There is no reason to apologize, Hinata-san☆
I believe that you have to be a little more selfish, though, Hinata-san☆
Finding what naturally makes you happy .. I believe that is the most important thing ☆
I'm sure that if you are able to enjoy yourself☆ everyone in this Flower Arrangement club will also enjoy their days☆
—

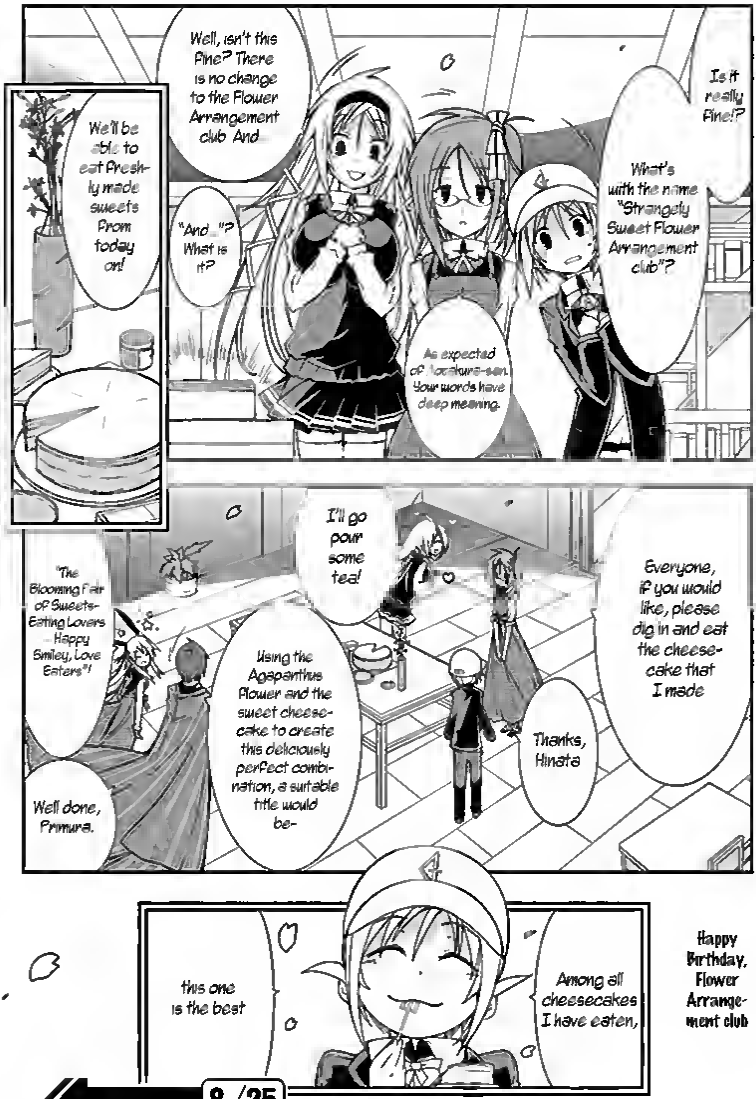
I wanted you to be in the Sweets club for that very reason☆
My injury was just something I made up☆ I'm sorry☆
ズキ
Primura-kun
Wafu?

Primura-kun... wouldn't you like to join the Flower Arrangement club?
...I'll decline that offer☆ While I do like flowers... I would like to dedicate myself to sweets
Then there is no problem at all!
There are flowers among sweets
Both sweets and flowers walk the same destined road
And you can become a Flower Patissier!!
Waffu☆

And the title is "The Greatest Milky Pinky Lover of the Sweet Galaxy"
Sweets are up in heaven
Flowers are down on earth
And when flowers and sweets become one, there is now a new maiden flower that blooms

It is true that there are sweets made with edible flowers
Flowers and sweets... Flower sweets"
!

A fairy of flowers? Isn't it cute☆
Oh, so you can see it?
Same goes for your cute angel of donuts
You are an interesting person☆
I'll be in your care a la crepes☆
Eh?
I'll be in your care a la clovers
Now, how about coming to a compromise and calling this "The Strangely Sweet Flower Arrangement club"?
I don't mind that at all



Is it really Fine!?
What's with the name "Strangely Sweet Flower Arrangement club"?
Well, isn't this Fine? There is no change to the Flower Arrangement club. And...
"And..."? What is it?
We'll be able to eat freshly made sweets from today on!
As expected of Yoshizuki-san. Your words have deep meaning.
Everyone, if you would like, please dig in and eat the cheesecake that I made
I'll go pour some tea!
Thanks, Hinata
Using the Agapanthus flower and the sweet cheesecake to create this deliciously perfect combination, a suitable title would be-
"The Blooming Fair of Sweets-Eating Lovers Happy Smiley, Love Eaters"!
Well done, Primura.
Among all cheesecakes I have eaten,
this one is the best
Happy Birthday, Flower Arrangement club
